

U.S. Serial No. 10/583,513
Amendment Dated: March 8, 2010
Response to Office Action Dated: January 13, 2010

REMARKS

Reconsideration of this application and the rejection of claims 1-50 are respectfully requested. Applicants have attempted to address every objection and ground for rejection in the Office Action dated January 13, 2010 (Paper No. 20100111) and believe the application is now in condition for allowance. The claims have been amended to more clearly describe the present invention.

In the Action, the claims are in condition for allowance except for the following formal matters. In claim 20, the Examiner suggests that the phrase “in a substantive” be changed to “with substantially the” to be more grammatically correct. Furthermore in claim 21, the Examiner states that the phrase “where disposed the driving wheel” should be changed to be “where the driving wheel is disposed.” Applicants have amended claims 20 and 21 in accordance with the Examiner’s suggestions.

In claims 42, 43, 44 and 44, the phrase “sliding device” has been changed to “sliding devices” and the phrase “track” has been changed to be “tracks” where applicable to match the terms used in the parent claims.

For these reasons, Applicants submit that the formal matters have been corrected and therefore, the application is in condition for allowance.
